

### El Camino Honors President Murdock

Paying tribute to President Forrest G. Murdock on his tenth anniversary as president of El Camino College and superintendent of the college district, 8160 students observed President's Day on campus May 3.

Initiating the special observance were members of the Student Council of the Associated Students.

Adopting a resolution declaring May 3 as President's Day in their last council meeting, student leaders relayed information regarding the day's activities to the college president while he was recuperating from surgery at his Inglewood home, 3428 W. 80th st.

Highlighting the special observance was a brief presenta-

tion program at the Emperor's Ball, which was held Saturday evening at the Beverly-Hilton Hotel in Beverly Hills. A testimonial dinner to honor President and Mrs. Murdock preceded the ball, the major social activity of the year at the college.

"It is largely the vision and foresight of President Murdock which has made the education which 8160 students receive today at El Camino College possible," Fredericks, president of the Associated Students, stated today. "He has been a driving force not only in the growth and development, but also in the organization of the college and college district."

President Murdock knows the college area well, having served as superintendent of the Centinela Valley High School district prior to his appointment as the first and only president of El Camino. Before coming to the Southland, he was a secondary school administrator in San Jose.

A native of Washington, the president completed work for degrees at the University of Washington and Stanford University. He has now completed 40 years of educational work.

President and Mrs. Murdock are active in numerous civic and community projects. Their three children, Juanita, Bruce, and Stanley are all married.

### 'Magic in May' Is Theme Of Greenthumber's Show

Final plans are underway for the third annual flower show, "Magic in May," to be held by the Greenthumbers Garden club, Saturday and Sunday, May 11 and 12. The Sea-Aire Park Fieldhouse, Lupine and Reynolds, in Torrance, will be the scene of the show.

#### CAMPING TRIP

Okiclyapi Winuke Camp Fire Girls group recently went on a two-day camping trip to Tapia Park, in Malibu Canyon. The girls' families took them there on Sunday afternoon, and stayed long enough to enjoy an outdoor dinner, and the fathers pitched the girls' tents for them; then the families left, leaving the girls under the supervision of the group's guardians, Mrs. Delmer D. Kern, of Torrance, and Mrs. Dean White, of Hermosa Beach.

### Housewives Bowl In League for Beginners Only

Wednesday mornings the walls reverberate in the Bowl-O-Drome as 130 housewives bowl in the Recreation League. Set up on an 8 week basis, this league is designed for beginners. In the fall, another league will be set up on the regular season basis of 18 weeks under standard league regulations. Instructors Bob Prince and Frank Carter have been on hand to help everyone get off to a successful start.

Awards will be given for the most improved team in the intermediate group and for the most improved individuals in the group, which is composed solely of beginning bowlers.

HERE'S THE POINT — It pays to tell your story well in a Torrance Press Classified Ad because you get better results sooner, at less cost. Dial FA 8-2345.

### Cash Awards Go to Seniors At Narbonne

Three high school seniors of this area won cash awards in Bank of America's Achievement Awards recently, when they walked off with highest honors at the Marine Zone competitions in the Los Angeles City schools system, division.

Winners and their general fields of study were Pat McNeese, second place winner in science and mathematics; Roderick Bernardin, third place winner in fine arts; and Karen Hamada, second place winner in vocational arts. All three are students at Narbonne high.

The students were scored on scholarship, leadership, outside activities, and their ability to express themselves well in group discussions of topics related to their studies.
